I'm Galiba, a BBA student at East West University, and I'd love to work with your company as a Brand Manager. I don't have professional experience yet, but I'm passionate about branding, marketing, and connecting with people—and I'm a quick learner!

In my studies, I've worked on projects analyzing brands, creating marketing strategies, and even managing social media content. I'm a member of EWU Creative Marketing club, I'm still learning.

I'd be thrilled to bring my energy and fresh ideas to your team. Let's chat about how I can contribute while growing with your company!

Thanks for your time—looking forward to hearing from you.

Sincerely,

Galiba Mirza
